SEVENTH WARD COUNCILMAN.-We yes terday morning inadvertently omitted to notice the result of the Democratic Primary Election in the Seventh Ward, which was held last Saturday evening, for the purpose of nominating a Councilman to take the place of Horace Wilson, resigned. Notwithstanding the inclemency of the weather, and the fact that there was but one candidate, the Democratic voters of the Ward turned out very well, thus manifesting a commendable interest in our glorlous cause. William L. Ross, Esq., was unanimously nominated to succeed Mr. Wilson in the City Council - there not having been a single vote east against him. Mr. Ross is a most popular and excellent man, as may be inferred from this result; and be will make a firstrate Councilman. He will be elected next Tuesday-the same day on which Hon. Samuel S. Cox will be re-elected to Congress. Let every Democratic and Conservative voter be at the polls early, and remain there the entire day.

Balance in Treasury, Oct. 3 ... \$45.99 A communication was read from A. B. Robinson, Secretary of the Columbus Gas Company, announcing that the Zanesville company had advanced their price of gas to \$4 per 1000 feet, and that therefore, from and after Sept. 1, 1864, the price of gas furnished by the Columbus company will be: to private consumers, three dollars and sixteen and two-third cents, and to the City of Columbus two dollars and eleven cents per thousand feet, subject to any change made by the advance or decline of prices in any of the cities affecting the average by which the sales of this company are regulated.

Mr. Thompson presented the remonstrance of several hundred citizens against the abolishment of the city Market House. Referred to the select committee on Markets.

Mr. Jaeger, from the Market House committee, presented a report signed by himself, Mr. Gaver and Mr. Naghten, stating that the committee had thoroughly investigated and inquired into the propriety of abolishing our city markets, and find that such a change would be inexpedient. A lengthy discussion upon the disposition

of this report was had, and the Council finally refused to adopt the report. Mr. Rickly introduced an ordinance ap-

propriating \$500 for printing and \$500 for sewers and drainage, which was read the first time.

Mr. Jaeger introduced an ordinance, which was read the first time, fixing the market space as follows: The Market House on 4th street, the east side of 4th street from State to South street, the north side of Friend street from 4th to 5th street, the south side of Friend from 3d to 4th street, the south side of Town street from Streight alley to 4th street, the west side of 4th street from Town to State street.

Mr. Jaeger presented the resignation of Market Master McAllister, which was ac-

Accident.—An employee of the Central Indiana Railroad Company, had his haad smashed at the depot yesterday in attempting to couple freight cars. DILETTA KRWY

SERENADE TO GEN. HOOKER .- The Camp Chase Band last night serenaded Major General Hooker, at the Neil House, but as the General happened to be engaged at his headquarters on Broad street, he did not respond to the repeated cries of the large crowd of persons present for a speech. The crowd was greatly disappointed, for there appears to be a very general curiosity to see the soldier who has attained the fighting reputation of Gen. Hooker.

REMOVAL OF DEPARTMENT HEADQUARTERS. -It is understood that Major-General Hooker's first order, upon assuming command of this district, will be one removing headquarters of the Department to Cincinnati. This movement is regarded unfavorably by the people of Columbus, but it is presumed the General knows his business and will be very apt to follow his own inclinations in this matter.

COL. SAGE'S REGIMENT.-The 179th Regiment of Infantry, commanded by Col. H. Sage, left the city yesterday for Nashville. The companies of the regiment were well filled with stout, fine looking men-made up of the very best material. Col. Sage is an accomplished officer, who has seen much service in the gallant old 43d Regiment, in which he was Captain, and afterwards Major, and in the school of the courtly Colonel Kirby Smith he became a thorough soldier. Luck and glory attend him.

COUNTY FAIR .- To-day is the first of the annual exhibition of the Franklin County Agricultural Society. The weather is unpropitious, but hopes are entertained that it will improve, in which event the exhibition will be a good one. All entries must be made to-day, and all animals and other articles for exhibition must be on the ground, except butter and cut flowers, which must be on the ground Wednesday morning by ten o'clock.

MILLINERY OPENING .- A. P. Ware will open Fashionable Millinery, at his elegant establishment, No. 258 South High Street, on To-morrow, October 5th, under the supervision of Miss Jennie McIntyre, of New York. He invites the ladies to give him a call; and we say-go: you will see something nice.

FISH.—We are indebted to Robert Benns for a couple of very fine white fish from the lake. Many thanks, Robert; they are duly appreciated, for they are No. 1.

The McCiellan Clubs. EDITORS OHIO STATESMAN:

What has become of the committees appointed nearly a week ago, "to effect the organization of McClellan Clubs in the several Wards of Columbus"? Are they at work? Has the organization of these Clubs been effected? It not, why has it been delayed so long? The County Central Committee, I believe, appointed a majority of the members of each committee; and the County Central Committee will be held responsible for a failure to organize in any Ward of the City.

Cincinnati has her Central McClellan Club, and her Ward McClellan Clubs; and so has Cleveland. These have been organized and at work for some time. Why is the good work delayed here? Is it simply neglect, or are influences at work in Columbus to prevent effective organization? We shall soon know all.

Intermittent Fever is a common form of bilious disease. The usual mode of treating it has been with tonics, with the view of breaking the chill, but nothing is done to remove the disease of the liver and other organs on which the chill and fever depend. Relapses are the consequence. The patient is only cured for t time; he is relieved or a symptom of disease, not of the disease itself. OSGOOD'S INDIA CHOLAGOGUE does not simply break the chill, but through its restoring influence upon the liver, removes the cause on which it depends, and thereby effects a permanent cure.

Sheridan Destroying Bridges and Railroads-The Position in Front of Petersburg----Nothing from Sherman for Several Days.

WASHINGTON, Oct. 3. Maj .- Gen. Dix, New York: A dispatch from Gen. Sheridan, dated Harrisonburg, Oct. 1st, 9:30 P. M., has been received by this Department. It states: I have been to Staunton and Waynesboro with the cavalry, destroyed the iron bridge

on South river at Waynesboro, throwing it into the river, also the bridge over Chaistiana creek, and the railroad from Staunton to Waynesboro. Details of further operations are for obvious reasons omitted. The following dispatch is the latest re-

ceived from Gen. Grant: CITY POINT, Oct. 2, 8:30 P. M.

Major General Halleck: Butler on the right of James river, and Meade southwest of Petersburg, occupy the same positions as yesterday. There has been but very little fighting to-day. A few prisoners were captured last evening. Butler sent two brigades of infantry, with a little cavalry, within a few hundred yards of the inner line of works east of Richmond

meeting with no opposition.
[Signed] U.S. Grant, Lieut. Gen. No dispatches have been received for three days from Gen. Sherman, but vigorous measures, which it is believed will be successful, have been taken by him to protect his communications from rebel raiding parties under Wheeler and Forrest. E. M. STANTON. [Signed]

Lee Attempts to Recapture His Works-Three Desperate Assaults-Driven Back with Great Loss-Fight near Weldon Railroad-A Brilliant Success.

NEW YORK, Oct. 3 .- The Herald has the following special account of the fighting north of the James: On Friday three desperate efforts were made by the enemy to retake the works

captured from them by us Thursday. Gen. Lee in person commanded, but the rebels were each time driven back with considerabout two o'clock P. M. massing in a wood directly opposite the fort captured yester-day, and in half an hour they charged with a wild yell in three heavy columns of attack. The rams at the same time opened upon our position, and our line was enfila-ded by the fire from the rebel battery on the river. The men, however, stood steady to their posts, and received the rebels with so hot, well directed and incessant fire that they broke in confusion and retired to the woods. Twice again they were rallied by their officers and returned to the but only in the past be found battling for the Rights result, until, finally, broken and dispirited, of the White Man. Over 300 prisoners were taken by us, including many officers and a greater part of the 8th North Carolina regiment. Among those captured are several field officers, and Capt. Maguire. Inspector-General of Cling-man's staff. The rebel flags were all taken

> The fight has been pronounced one of the most desperate and brilliant of the war, and by the skillful management of his troops, Gen. Weitzel has added one more leaf to the

laurels won in Louisiana.

The following is the Tribune's special account of the operations below Peters-

burg:
Yesterday (20th) Gen. Gregg, supported
by two brigades of infantry, pushed a reconnoissance from our left toward the
Lynchburg railroad as far as Poplar Spring hurch, beyond the Vaughn turnpike. No enemy in any force was discovered. To-day Gen. Griffin's division of the 5th corps, advancing beyond the church in a northwest direction, came upon the enemy in a position about two miles from the Weldon railroad. Their preparations for defense, though not completed, were very formida-ble. Gen, Griffin decided to carry the works by storm, and formed his division in three lines of battle by brigade, the 3d brigade in advance, under Colonel Gwin, of the 111th Pennsylvania. The assualt was practicably and brilliantly successful. The whole line was taken, and two or three guns and about three hundred prisoners; the other guns were dragged away. The rebels left their dead and wounded on the field. The prisoners belong to Beauregard's command. Among them was one Major, one Captain and five Lieutenants. Our loss was not great-I think not one hundred and fifty; but one of our best officers, Col. Welch, of the 16th Michigan, was killed, and the fol-

lowing officers were wounded: Major Park, 16th Michigan; Lieutenant Wirt, 16th Mich-igan; Lieutenant Bocus, 16th Michigan. HEADQUARTERS ARMY OF THE POTOMAC, ion yesterday morning, and were repulsed with heavy loss. This was the only fight-ing yesterday on the left, except an attack by Wade Hampton's caveler. by Wade Hampton's cavalry on Gregg's cavalry, on the Vaughn road, where they were driven back with considerable loss. Our army is strongly intrenched. A battle may occur any moment. The enemy claim to have a number of prisoners from the 9th corps. Richmond papers boast of a victory over Sheridan, and say he was retreating. Washington, Oct. 3.—Passengers from City Point yesterday morning report there was heavy firing on the right and left of Petersburg, and but little in front. The entire army was in motion, and indications

were that a general engagement was medi-FORTRESS MONROE, Oct. 2 .- The mail boat Webster, from City Point, has arrived here. The rumor that Petersburg has been evacuated is incorrect. Heavy firing has been heard all this morning from the north side of the James, but nothing important has been received as to results.

Rebel retugees of all classes are pouring into Bermuda Hundred in every conveyable manner. Some are coming down the river on rafts, in their eagerness to escape the perils of the Confederacy. Rebel officers now prisoners in our hands say they think Richmond can't much longer withstand the siege now in progress.
All here are full of hope. Our soldiers are in high spirit, expecting soon to achieve

the greatest results.

New York, Oct. 3.—The Tribune's special says; Our lines now extend from Chapin's Bluff to the White Oak Swamp, at a distance of from four to six miles from Richmond, and from the Bluff we command

The regiments most warmly engaged were the 117th New York, 9th Maine, 81st New York, 78th and 8th Connecticut, 47th and 142d New York, and Gen. Paine's colored division. Our entire loss is estimated

Early in a Strong Position-Our Cavalry in Gordonsville.

NEW YORK, Oct. 3 .- The Herald's special, lated Martinsburg, Oct. 1st, says: The latest intelligence from Gen. Sheridan left him making preparations to force the remnant of Early's army from Brown's Gap, in the Blue Ridge. This was on the 29th of Sept. Early's position is represented to be a very strong one, and he doubtless intends to hold t as a precaution to Gordonsville and Charlottsville, as well as Lynchburg, for while holding this point, if Sheridan advances Lynchburg, Early cuts his rear and supplies. There can be little doubt, how-ever, of Sheridan's success, for Early's army has lost heart, and Brown's Gap will

only prove to be another Fisher's Hill The World's Washington special of last evening, says: An unauthenticated report prevails here that our cavalry have entered Fordonsville. It is known that at last acounts a cavalry force was very near that

Jeff: Davis and His Cabinet Flee from Richmond-Lee Military Dictator.

NEW YORK, Oct. 3 .- The Herald's 10th corps correspondent says rebel prisoners say that Davis and his cabinet have fled from Richmond. The Whig was the only paper printed on the 30th ult., owing to the eral impressment of arms-bearers. Lee is said to be acting independently of all in-structions. He is in fact military dictator of the rebellion. As his retreat in the direction of Weldon is cut off, it is thought he will concentrate his forces in Richmond and fight the life and death struggle.

Early's Trains Captured. NEW YORK, Oct. 3 .- The Tribune's special says it is reported that Torbett's cavalry captured Early's trains beyond Staunton. great many rebs, who after the winchester fight scattered among the mountains, are coming and delivering themselves up. Large numbers of stragglers are also picked up. It is reported and believed that a force

His troops ad lost their regimental organizations and were retreating pell mell for some place of

A Blockade Runner Captured. Washington, Oct. 3 .- Information has een received at the Navy Department of the capture by the United States steamer Magnolia, of the blockade running steamer Matagorda, seventy-five miles off Cape Anones, Cuba. ## SPECIAL NOTICES

Hoback's Stomach Bitters. SOLDIER'S HOME, SUPERINTENDENT'S OFFICE, CINCINNATI, June 4, 1863.

To Dr. C. W. ROBACK-My DRAR SIR: I am dispensing a second involce of your Stomach Bitters among the large number of men who daily arrive at this Institution for refresh ment and rest. The universal testimony is that these Bitters are the best made. For the various summer complaints which afflict so many, I know of no remedy so safe and so sure. Plutarch says, "To ask a physician what is casy and what is hard of digestion and what will agree with the stomach, is about as sensible as to ask what is sweet or bitter, or sour.'
Persons who look out for breakers—and have your Stomach Bitters in the house-I am sure will nevar ask any one the foolish question spoken of by the great philosopher. I must not omit a word or two for your Catawba Brandy. I have many men here who have brandy prescribed for them by distinguished Army Surgeons. The effects of yours on such are most beneficial, far more so than from any previously taken. Persons who desire a really pure Brandy cannot fail in their purchase if they get your brand.
